Subj: 2010 Scholarships

Dear NDA Member,

We are very proud to announce that this is our second year and we are increasing our scholarship opportunities available to our members for the academic year 2010-2011.

This year we have established a scholarship fund of \$3000. We have two \$1000 scholarships for students enrolled fulltime in a dairy science, food science or agriculture related major and one \$1000 scholarship for students enrolled fulltime in any major. The scholarships are available to any direct family member of an NDA member. Additionally, if you are a corporate member, the scholarships are available to any fellow employee's family member within your company. We encourage you to help us spread the word about these new scholarships.

Applications for the scholarships are now being accepted and are required to be submitted no later than June 1, 2010. A copy of the requirements and application are enclosed and can be downloaded from our website located at www.neastda.org.

Thank you again for your membership in the Northeast Dairy Association, Inc. and please call our office if you have any questions.

Sincerely,

Brian Kelly
Scholarship Committee Chairman
