Plan now to bring your dairy processing and manufacturing customers! Last year we sold over 1100 tickets, breaking our old record – thank you! We count on you to make this event a success. As a member of the Northeast Dairy Association only you can order tickets to this exclusive event, non-members cannot order tickets. Northeast Dairy Foods Association (our affiliate association for dairy processors, manufacturers and distributors) will be hosting their annual golf tournament the morning of the clambake at Drumlins Country Club www.drumlins.com. They have two 18 hole courses so there will be room for everyone to play! Registration information and forms are enclosed.

This is a great opportunity to entertain and thank your customers, network and meet new prospects while enjoying a lot of great food! Money raised from this clambake is used to help fund our annual college scholarship program. We will award a total of \$15,000 this year in scholarships. Visit our website for application information.
